ABOUT ME

Results-Driven Software Developer | C#, .NET, MVC, Web API, Angular, JavaScript | Internship Experience

EXPERIENCE

Odysseus Solutions, Vadodara

Apr 2023 - Jul 2023

Software Developer Intern

- Developed a strong understanding of C#, coding standards, and best practices.
- Gained practical experience in ASP.Net MVC, Web Forms, JavaScript, jQuery, Ajax, and Web API.
- Acquired knowledge of Three-tier and N-tier application architecture.
- Worked with ASP.Net web services and utilized Git (SourceTree) for version control.
- Collaborated with the team to enhance and fix bugs in software applications.
- Proficient in debugging and troubleshooting through Visual Studio and browser.
- Demonstrated skills in code optimization to improve performance.

Freelance

Feb 2022 - Mar 2023

Web Developer

- Utilized HTML, CSS, JavaScript, and jQuery to manage and enhance client websites.
- Developed responsive designs to ensure optimal user experience across various devices.
- Implemented APIs to integrate external functionalities into client web pages.
- Collaborated closely with clients to understand their requirements and provide customized solutions.
- Demonstrated a strong attention to detail in implementing designs and ensuring consistency.
- Conducted thorough testing and debugging to deliver high-quality, error-free websites.
- Managed multiple projects simultaneously, meeting deadlines and client expectations.
- Maintained effective communication and provided regular updates to clients throughout the development process.
