

TERENCE BUNDELA

Front-End Developer

Frontend Developer | Building Responsive Web Designs with Bootstrap and Angular

PROFESSIONAL PROFILE

As a front-end developer with a strong background in HTML, CSS, and JavaScript, I'm passionate about creating web experiences that are intuitive, engaging, and user-friendly. With expertise in frameworks such as Bootstrap and Angular, I have a deep understanding of the latest web development trends and technologies. Whether I'm building custom web solutions or optimizing existing web properties, I take pride in delivering high-quality work that exceeds expectations.
